Forrer Supply Company, Inc. Announces New President

July 15, 2009

FOR IMMEDIATE RELEASE

Germantown, WI (July 15, 2009) – Forrer Supply Company, Inc., an HDPE Pipe, Fittings, Custom Fabrications, and McElroy Fusion Sales, Service, and Repair Center, is pleased to announce that Ron Thimm has been appointed President of Forrer Supply Company, Inc. Ron brings a wealth of business experience including a history of significantly growing company operations.

In this role Ron will have responsibility for all operations of the company. “The addition of Ron to our management team provides the executive strength and leadership necessary to support my vision for continued growth,” said founder Steve Forrer who will continue his involvement with the business as the Chief Executive Officer.

Ron began his career in finance after graduating with a Bachelor degree from the University of Wisconsin – Milwaukee and later earning an Executive MBA. Over the course of his career he has served in numerous executive leadership roles including President of Gonzales Manufacturing Company, a Texas metal fabricator specializing in natural gas and coal power plants and other energy related products. He also served as the President of Cleaver Brooks Aftermarket, a manufacturer and distributor of parts and PLC controls for the boiler industry.

Ron can be reached via e-mail at RThimm@forrersupply.com or by phone at 262-255-3030 (office) or 414-403-2344 (cell).

Forrer Supply Company, Inc. is a leading distributor of HDPE pipe, fittings, custom fabrications, McElroy fusion machines: rental, sales, and service. As a leader in the HDPE industry for more than 27 years, Forrer Supply prides itself on quality products, highly trained fusion technicians, top notch custom fabrications, a vast and well maintained fleet of fusion machines, and an efficient, knowledgeable sales staff. We are with the customer every step of the way no matter how big or how small the project is. Customer satisfaction is our goal.
